EDUCATION

B.A. in Computer Science

Minor in History

University of California, Berkeley

EXPERIENCE

Google

Computer Science Summer Institute

📅 July 2019 – Aug 2019

- Completed a three week long crash course on computer science fundamentals taught by Google engineers, as well as best practices in development. Learned HTML, CSS, Javascript, Python, Google Firebase, and Google App Engine.

PROJECTS

Maribel

All-in-one tool to format MLA papers.

🖥 Web App   🔗 maribel.io

- A web app to automatically generate MLA-formatted PDFs from simple HTML inputs. Created to promote accessibility in education to the elderly and technologically-illiterate pursuing higher education.
- Built with: Bulma, PDFKit, and deployed with GitHub Pages.

J2C: Jumpstart to College

Integrated tool to manage college applications.

🖥 Web App   🔗 jumpstart2college.com

- A web app to quickly add relevant college admissions due dates and deadlines to your Google Calendar to alleviate anxiety over the admissions process for prospective students.
- Built with: Bulma, Google Calendar API, and deployed with GitHub Pages.

FlyRight: Space Adventure

Maneuver through space, and avoiding obstacles!

📱 iOS Application   GitHub

- An iOS game where you're tasked to navigate a broken space ship that can only turn right. Avoid obstacles and see how long you last!
- Built with: Swift, Xcode, Photoshop, and deployed on the Apple App Store.

Portfolio - Jacob Patel

A portfolio website for my work.

🖥 Website   🔗 jacobpa.tel

- A website to showcase my projects, achievements, and interests.
- Built with: Bulma, Fontawesome 5, and deployed with GitHub Pages.

SKILLS

`iOS Development` `Web Development`
`OOP` `Statistics`

`HTML` `CSS` `Bulma` `JavaScript`
`LaTeX` `Swift` `Xcode` `Java` `Python`
`Git`

`English` `Spanish` `French`

ORGANIZATIONS

Cal Hacks

Participant

📅 Oct 2019

- Will work with team to build project at Cal Hacks 6.0, the largest collegiate hackathon in the world.

California Mock Trial

Attorney and Witness

📅 Aug 2019 – May 2020

- Was selected out of a pool of two-hundred applicants as part of the 2023' recruiting class.
- Competed at the AMTI, a collegiate tournament consisting of thirty of the nation's most elite programs.

Shasta Mock Trial

Attorney and Witness

📅 Aug 2016 – May 2019

- Finished 2nd overall in the California Mock Trial State Competition Finals.
- Was selected as a team captain senior year.
- After graduating, became an alumni-coach and spent the summer coaching new competitors to the team.

AWARDS

🏆 **National Hispanic Scholar**
Finalist
